

How to Get Started

If you are interested in participating in one of our homeschool programs, please fill out a family application. These are available online at www.freedomchristianschool.org or you can request one via mail, email or fax by calling 517-523-3426.

We will schedule a time for an interview with your family.

Upon acceptance into one of our programs, we will send you a contract outlining expected fees and due dates.

Acceptance into our Level I – Enrolled Program requires a placement test for each student. This can be done either online in your home or on site.

Upon receipt of a signed contract, we will either meet with you to create an education plan for your child(ren) or begin ordering your desired curriculum.

In no time at all, your family could be on your way to educating your children from the comfort of your home.

The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction.

Why Homeschool?

We sincerely believe that it is a parent's God-given directive to educate their children in the way of the Lord. In addition, a Biblical worldview is an essential foundation for all aspects of education.

We partner with many parents in this ministry through Freedom Christian School. For nearly 4 decades this ministry has offered parents the opportunity to send their children to a Christian school that provides Biblically-based education.

Sometimes, however, families choose to take a more active role in their children's education and we could not be more fully supportive of this decision. In addition, a traditional classroom setting is not always the best fit for a family, according to life's circumstances.

For these reasons our ministry has developed several homeschool programs to further help these parents educate their children.

Our Programs Offer:

- Report cards, transcripts, record keeping and Stanford Achievement Tests
- Earned diploma from established school
- Local, personal help with academic guidance and accountability
- K-12, Bible-based, individualized curriculum
- Participation in extracurricular activities including athletics and music

Curriculum

Depending on your curriculum of choice, you can expect curriculum and material fees to run you approximately \$200-\$500 per student annually.

We offer curriculum from Accelerated Christian Education (ACE), A Beka Books, BJU Press, Alpha Omega Publications, and many more.

Tutoring

In addition to the administrative and educational services included within our homeschool programs, admission to a program also allows you access to individual tutoring from one of our highly-educated staff instructors as needed or desired. Tutoring fees are \$10 per session.

Athletics and Music

Admission to one of our homeschool programs also potentially allows you access to our Christian school's athletics and music programs. Eligibility is determined on an individual basis. Athletic and music program fees apply.

**Train up a child in the way
he should go: and when he
is old, he will not depart
from it.**
